Dear Kiyoo Corporation,

I am writing to thank you for the quality sales assistant service your company provided before, during, and after the Baby & Kids EXPO Spring 2022 held at Tokyo Big Sight. Your sales support made it a great success in helping us find a distributor which was our objective for this exhibition. We are now very excited to have taken the first step to develop our market in Japan and hope to participate in this exhibition again next year.

Based on our great experience having worked with you, we will definitely recommend your services to other companies and acquaintances.

Thank you again for your assistance and we look forward to working with you again when the opportunity arises.

Sincerely,

  
Katarzyna Mitos
